We congratulate you for taking your first step towards a world that embodies finesse, functionality and quality. Our world-renowned assortment is produced from the highest quality components and assembled with the utmost care where strict adherence is allocated to the smallest detail.

It is imperative for us that you receive the best product available. Our vision is reflected in the highest standards encompassing the latest international trends.

While "Swiss Military" identifies itself with a more professional and formal image aimed at the travelling Business Executive, our new "Swiss Military Adventure" range is a cross between Swiss Military and Alpine Club where it caters to the young, casual yet chic & contemporary Executive.

Our motto of 'Swiss Quality at Affordable Prices' stems from the fact that the Corporate Gift segment today suffers from either inferior quality or exorbitant prices. This is the gap we intend to fill in with a mission to produce the best products available with the most economically viable resources.

We hope to keep your confidence through our continuously expanding product lines, advantage of collective buying power, effective control systems and economical rates together with prompt service. We at the House of "Swiss Military" believe in working harder to ensure a better tomorrow for you..

# Eye Gear

## Premium Brand Logo

Our exquisite range of premium eye gear are developed in conjunction with CERJO, Switzerland's leading producer of sunglasses. This is done to ensure that our product range is held to the strictest quality norms and tests possible as per global quality mandates of our worldwide collections as also to conform to latest international trends and technologies.

Even though the designs are chic and contemporary, they have an evergreen feel to the functional styling and practicality of using a product that would stay with you for the years to come.

The eye gear provides the best possible protection from harsh UV rays and ensures the most comfortable fit even after hours of sporting the eye gear in varied conditions.

Available in a variety of designs, shapes, colours & lens options, the range is suitable for the young and adults alike who want to sport luxury that is affordable and world-class in every sense of the word.
