THE CROSS BRAND

Cross is recognized and trusted worldwide for its distinctive style and superior quality product. Cross luxury writing instruments and personal accessories have long been symbols of success and achievement. They are the perfect way to exhibit appreciation and esteem for valued clients and colleagues.

Cross products are sold to consumers through fine stores worldwide and to the business gift market via a network of companies specializing in recognition programs.

Since Richard Cross made the first Cross product in 1846, the writing instrument category was re-invented, combining design ingenuity with jewellery-quality craftsmanship. It is America's first manufacturer of quality writing instruments.
